

PRG Trailers & GT Covers launch a covered trailer aimed at club motorsport competitors

Competitors faced with the challenge of transporting their pride and joy around the country and keeping it clean, have a new, affordable option from two of the UK's leading manufacturers in trailers and trailer covers.

PRG Trailers and **GT Covers** (part of the GT Race & Trailers group) have teamed up to launch a new PVC covered trailer to the market, the **Race-Tech 77**. Based on PRG's E-Tech 77 car transporter, the new offer will come complete with a heavy-duty, fitted PVC cover, and a galvanized frame to protect its cargo from the elements. With its curved radius rigid front and hand-made cover to complement the extra wide bed, low loading angle and robust galvanised chassis of the trailer, the **Race-Tech 77** provides a cost effective and attractive enclosed method for transporting cars in all weathers.

Talking about the joint project, **PRG sales director Richard Proudlove** said " *We are extremely pleased to be part of this exciting project with the UK's best known PVC cover manufacturer, With our already proven E-tech Trailer I truly believe we have the best combination package that will serve motorsport competitors for many years to come.*"

As part of the venture, GT Race & Trailers will also become a Fully Authorized Distributor / Authorized Dealer for the entire PRG range of trailers. **GT Race & Trailers Director Mike Gardner** added " *whilst we have, and continue to offer our bespoke covers for any trailer base, we have been looking at partnering with a trailer manufacturer to offer a complete package to motorsport competitors. In PRG we have found a responsive and flexible partner who shares our commitment to excellent products and great customer service*".

The **Race-Tech 77** comes with the following as standard;

- A fully galvanized chassis
- Punch slotted transporter decking for over the wheel strapping
- 2.5m pull-out / push-in ramps
- Manual winch
- Spare wheel and tyre
- 15mm commercial anti-slip centre decking
- Tow hitch lock
- Kick down rear support stands
- Autoreverse braking to all wheels
- Enclosed mudguards
- A well protected lighting system
- Super seal wiring loom to IP66 standards
- A 1.75m high fully galvanized frame
- A heavy duty PVC cover – available in a range of colour combinations
- Half-height front, full height middle, and winch access openings in the cover
- Full height rear door access
- Full EU Certificate of Conformity at no extra cost

The complete trailer and cover is offered at £4,500 +VAT, making it an affordable option for covered transport from two of the country's leading trailer and cover manufacturers. Finance to spread the cost, from only £145 per month and just £540 deposit, is available from PRG trailers.

PRG Trailers

Housed in a purpose built, 20,000 sq.ft. fabrication workshop in the heart of the beautiful Cheshire Countryside, PRG Trailers have been consistently nurturing a reputation for producing premier quality single or multiple vehicle transporters for over 20 years. PRG Trailers pride themselves in producing the best trailers possible; from a basic 'Fixed-Bed' unit, right through to a fully enclosed 'Proporter' - each trailer is tailored to meet your specific need - whether you're taking the team leader to the track or moving that prized vintage vehicle to the show, they can provide exactly what you're looking for in a vehicle transporter trailer.
